

COMFORT PRO

Say goodbye to back, knee, and foot pain. The Comfort Pro mat is a specially designed anti-fatigue mat that is ergonomically engineered and medically proven to provide unsurpassed comfort, safety, relief, and support while you stand, wherever you stand. Neutral smelling and light weight, the Comfort Pro mat makes an outstanding mat for in-doors and in front of stand up desks.

FEATURES

- Made from high quality polyurethane
- Excellent anti-fatigue properties
- Ideal for stand up desks
- All edges bevelled for safety
- Easy to clean and move around
- Approx. 20mm thick

CODE	SIZE (mm)
Comfort Pro Mat
