Electric Sit Stand
Desks + Workstations

ASCEND

Version 2

Electric Height Adjustable
Desks + Workstations

We are not sedentary creatures, but modern offices and jobs have forced people to spend far longer sitting down than standing up. This has serious consequences for the health of individuals, the posture of many people, and ultimately the lifespan.

ASCEND VERSION 2

The Ascend version 2 has improved benefits over its predecessor, the new desk and workstations can carry a heavier load, are available in more colours, and has a more advanced use friendly controller.

FEATURES

- Heavy duty lift capacity.
- Three stage telescopic lifting column controlled by central control box for synchronisation.
- Height range (excluding top) from 620mm to 1270mm.
- 3 memory controller for easy adjustment to pre-set height.
- Quick and quiet adjustment speed – sitting to standing in 10s.
- Anti-collision safety feature to assist avoiding collision damage during height adjustment.
- Adjustable leveling glides for uneven floor.

WARRANTY

- 10 year replace or repair on frame components.
- 5 year replace or repair on all electronics.

LIFTING CAPACITY

- 240kg lifting capacity – Workstation
- 160kg lifting capacity – Desk & Back-to-back
