- ANVD15\_4POD - 4 @ 1500w x 750d x 730h
- Scalloped tops with black PVC edge
- Standard with E-panel screen(s)
- Standard wire basket cable trays

## Sleek & simple style.

With the identical structural features of our existing Anvil, Anvil Eclipse introduces a black powdercoat frame and matching black PVC edging around the worksurface. Scallops in the worksurface allow for tidy cable distribution. Optional components of wire cable trays, modesties and e-panel screens (available in black or red) compliment the range. Anvil Eclipse will give a new point of view in your office space.
